Device Check-out Procedures

Students who need to a device to complete electronic work will be provided one.

Students in grades 4-12 have an assigned Chromebook at school. While students will be learning from home for this extended period, because much of the work is being given in electronic form, it would be beneficial for students to have a device. If your home does not have a computer, laptop, or similar device available for your child to use, parents of students in grades 4-12 may check out a device from school.

K-3

Our remaining devices will be available on a first come-first serve basis for Kindergarten through 3rd grade devices.

Because the work is web-based, students do not have to have “their Chromebook” to do this work, so most devices will work. Therefore, we are asking that only families who do not have a reliable device to request one.

1. A parent/guardian must come to the school office during the times listed below.
2. The parent/guardian will sign a home use consent form.
3. The Chromebook that has previously been assigned to the student, along with a charger and case, will be provided to the parent or guardian.

****Chromebooks will not be given to students. An adult must be present.**

If families do not have access to the Internet, then work packets can be provided. Please contact the office or your child’s teacher to arrange a packet pick-up.

Device Check-out Schedule

Day	Times
Monday, March 16	1:00-2:00 PM
Tuesday, March 17	8:30-9:30 AM 12:30-2:30 PM
Wednesday, March 18	8:30-11:30 AM
Monday, March 23	8:30-10:00AM 12:30-1:30 PM

Always Inspiring Success
