Report Cards & Grades

With the 9-weeks having ended on March 13, we understand parents and students would normally be expecting to receive report cards. Because students will not be present to receive report cards, we are developing different methods for grades to be communicated.

Homeroom teachers have a copy of the report card and can discuss with parents when they make their weekly contact with families.

Infinite Campus Parent & Student Portal (4th-12th)

Grades were finalized Wednesday, March 18. 4th-12th grade parents and students can login to the Infinite Campus Portal to check final grades for each of their classes for the 3rd 9-weeks. For those who need to set-up an account, or need a password reset, e-mail that request to timothy.litteral@augusta.kyschools.us.

E-mail/Text (4th-12th)

If needed, parents can request that a picture of the report card be sent to them via text or to have it scanned via e-mail when homeroom teachers make their weekly contact with parents.

K-3 Report Cards

Report cards for kindergarten through 3rd grade options to receive report cards are to be sent via a picture through Dojo or text, or to be scanned and sent via e-mail. Please let your child's teacher know how you would like to receive it.

If none of these options work, please call the school so we can make special arrangements.
